

Mediterra ~ Naples, Florida

Mediterra is a Premier Luxury North Naples Gated Golf Course Community created with the intimacy, ambiance and classical style of the Mediterranean region of Europe. The 1,697 acre private community boasts less than 950 home sites with nearly 1,000 acres of open space. All of these impressive homes have been designed with an authentic Mediterranean style of architecture and a meticulous attention to design detail. The Private Enclaves of Mediterra offer Phenomenal Estate, Magnificent Villa & Luxurious Coach Home Communities, all boasting amazing Panoramic Golf Course, Sparkling Lake and Tropical Preserve Views.

The focal point of Mediterra is the Piazza, with bubbling fountains and peaceful gardens which surround The Club at Mediterra. The 25,000 sq. ft. Club is now a Member Owned Club and offers Formal as well as Casual Dining, along with Exquisite Facilities for all types of Private Gatherings and Offers Year Round Social Activities. The Sport Center is a State of the Art facility including Tennis and Pro Shop, Fitness Center & Swimming Pool. An Incredible Outdoor Lakeside Amphitheater was created for Cultural, Social and Recreational activities. Enjoy the miles of biking paths, nature trails that traverse through Mediterra with specially designed parks.

At the heart of The Club are Two Tom Fazio Championship Designed Golf Courses. These courses weave their way through the nature trails, lakes and landforms to create a challenging and dramatic golf course experience. The Club at Mediterra is the World's First Private 36 Hole facility to be certified with Audubon International's Silver Signature Sanctuary Program. Tom Fazio artfully designed each course to offer differing challenges as well as give home owners fantastic views of the fairways, wetlands and nature preserves.

The Mediterra Private Beach Club offers 200 feet of White Sandy Beach along the Gulf of Mexico. The Members Only 10,000 sq. ft. Beach Club offers casual yet elegant facilities with indoor dining facilities as well as poolside al fresco dining reminiscent of a Mediterranean Sea Side Resort.
