

The Club at Mediterra

At-a-Glance

From the timeless architecture of
Italy's Amalfi Coast
to the nearly 1000 acres of
pristine, protected preserve,
Mediterra is a community
waiting for you.

Reminiscent of the Northern Shores
of the Mediterranean Sea,
Mediterra is unlike any other luxury
residential community
that ever was in Naples...

...or will be.

Golf

Golf enthusiasts will find Mediterra's two Tom Fazio-designed golf courses as beautiful as they are playable. As the courses weave their way along nature preserves, lakes and wetlands, golfers will appreciate the distinctive design characteristics of each course that test every part of the game. And with a cap of only 450 members for 36 holes, play as much as you want! The Learning Center offers the latest in technology and instruction to keep your game in top-notch form. Tee times managed through ForeTees.

Clubhouse

The Clubhouse defines the social energy and ambiance of Mediterra with a spacious and welcoming design. Members enjoy casual and fine dining prepared by an award-winning staff and a Master Chef. Friends and neighbors gather to enjoy a sunset from the Club's many al fresco spaces, and the professional staff keeps everyone entertained with a regular schedule of unique activities including family friendly programs.

Beach Club

At Mediterra's newly renovated Beach Club, you can enjoy a private beach experience with white sand, tranquil water and probably a dolphin or two. Just a short drive from your home, the two-story Beach Villa includes Cabana service on the sand and a second-floor pool overlooking the Gulf of Mexico. The Beach Club's restaurant offers indoor dining as well as al fresco. Enjoy beach games or gather with your friends for the daily honoring of the setting sun.

Fitness Center

Mediterra's fitness center provides you with the equipment and expertise to be toned and healthy. Our professional fitness staff provides personal consultation and helps develop a workout program perfectly suited to your needs. State-of-the-art equipment and regular classes in Yoga, Pilates, Barre, Spin and much more make it easy to lead a healthy Mediterra lifestyle. The Club at Mediterra, a Blue Zone, is dedicated to wellness for its members. *(New Sports & Lifestyle Center coming soon!)*

Spa

After taking in all the exciting activities that Mediterra has to offer, it's nice to know that you can relax and unwind with a spa experience at the Sports Club. The Spa offers a full complement of facial and body treatments including Microdermabrasion, Swedish Massage and Sports Injury Therapy. There's no need to travel away from home when you can get all the services and pampering you enjoy right here at Mediterra. *(New Sports & Lifestyle Center coming soon!)*

Bocce

Join 600 of your closest friends and participate in one of three Bocce Leagues: Mixed, Men's and Women's. This enthusiastic annual league play starts with a complimentary Bocce Wine Tasting Event at the start of winter season and ends with a Battle of the Sexes in April! Can't commit to a league? Become a substitute player! Our 4 Har-Tru clay courts complete with Bocce Bar are available for private and casual use as well. *(New Sports & Lifestyle Center coming soon!)*

Racquets & Poolside Patio

Tennis is at its finest at Mediterra. Even tennis celebrities (like Venus Williams!) come to visit our 8 har-tru clay courts including a learning court and stadium court for exhibition play. Leagues, clinics, private lessons, mixers, tournament play and more await you. Pickleball is all the rage on our 7 superior gel surface Pickleball courts. After some fun on the courts, join us for a nice cold beverage at the Sports Café poolside. That's right. We have two pools! A lively pool at the Beach Club and a reflective quiet one at the Sports Club. *(New Sports & Lifestyle Center coming soon!)*
